From the Editor

Hello Everyone,

And so we finally come (or perhaps stagger slightly) to the end of a very busy year!

The usual two Open Shows were organised and held in March (Trophy Show) and October (Disciplines Show). We had a Breed Seminar in May and a Breed Assessment in November, as well as the Annual Breakfast Walk in August and our Christmas Braai in December. Throughout the year Michelle and her helpers were kept busy rescuing/rehoming Boxers in distress or in need of a new home for various reasons. Meanwhile Fay, our long-suffering Secretary, had to juggle hard to keep a multitude of balls in the air while coping with extensive renovations to her new home going on around her.

However, the 60th Anniversary celebrations were without a doubt the crowning glory of all the club activities this year and careful planning and some very, very hard work by the committee resulted in a memorable, sparkling gala event held in the Edgemoad Community Hall in October. You can read all about it in this issue.

Our President, Doreen Powell, celebrated her 80th birthday in October. What is quite, quite incredible about this is her unflagging enthusiasm, commitment and hours and hours of hard work relating to everything to do with dogs and dog sport. She left us all gasping when she decided to show the ignorant “youngsters” at the WP Top Dog event how to rock ‘n roll and jive properly—there was a lot more to it than is seen on the dance floor today... Doreen, we love and salute you!

With best wishes to all our members, their families and pooches for a peaceful, safe and blessed holiday season.

So 2012 comes to an end. It was a year that was approached with a sense of excitement, enthusiasm and certainly a little trepidation by the committee as we looked ahead to celebrating the Club's Diamond Anniversary.

For me it really started with the production of the Diamond Anniversary Calendar. While putting the calendar together I became acutely aware of the giant task that lay ahead for the Committee in planning and delivering what we knew would be a special but expensive 60th celebration event.

Fortunately, the calendar's success was to be reflected in the spectacularly successful 60th Anniversary Show / Dinner. I have not heard a single negative comment from the 70 plus dinner guests or from any other visitor.

The real purpose of this short note is to congratulate, honour and thank the entire committee for their hard work and dedication this year. They were just brilliant. Thank you too, all our very supportive members, you make it possible and worthwhile.

As we move forward into a new year I am confident that the club is in good hands for the present. However, what of the future?

I believe it is time to build again. The number of true Boxer enthusiasts seems to be in sharp decline. It is good to see young families buying pure-bred Boxers, but we need to find constructive ways to "get them hooked". I would like to make this a focus of the year ahead.

JUST BRILLIANT!

Judge Tim Hutchings and
Monique Hodgkinson with BIS
winner Tanyati I'm Familiar Too

Judge Tim Hutchings going over the Champion Dog class

Tim Hutchings, Julie Brown, Robert Carstens, Serena Carstens (who flew in from Australia for the celebrations), Dawn Hull and Ken Hull at Moyo Restaurant

I HEARD a lot of gossip after the London and Home Counties BC championship show but not much in the way of news. So although I'll give you the winners in a moment I'm afraid that I cannot tell you much else since Julie and I were still away enjoying ourselves in South Africa. I did gather that the parking arrangements had changed at the Woking Leisure Centre which was not a surprise since we could all see last year how much development was going on at the back of the centre. Hopefully you all enjoyed yourself at this show which is in the hands of a very enthusiastic committee.

It was a good entry of 211 for the two judges. In the dog ring we had Monique Hodgkinson from South Africa who was making her debut in the UK ring while Greg Dowell was doing the bitches on his third appointment. Monique made it a truly memorable day for the Burnden girls since Denise, Desnie and Jeannine Pye won both the DCC with the newly crowned Ch B Opportunist and the RDCC with B Secret Millionaire.

In bitches it was a second CC for the Mair family's Glenauld Naughty Alice with the RCC going to Julie and Claire Cook's Ch Manic Show Off.

Referee Sheila Cartwright was needed to separate the judges, awarding BIS to the bitch. BP was Yvonne Miller's Walkon First Lady.

Three days earlier I had awarded Monique's bitch Tanyati I'm Familiar Too BIS at the 60th anniversary show of the Western Provinces BC in Cape Town. I can honestly say I did not know who the lady handler was until Julie told me at the post-show dinner that it was the person judging London and Home Counties at the weekend. Under the circumstances and in this world of instant communication I can only imagine how South African and British tongues might have been wagging about my potentially dubious motives for making this award. Of course, my sterner critics could not have been more wrong, since we were neither entered at, nor attending the UK show as our flight did not return home until Sunday!

I have to say that considering their comparatively small numbers, the South African BC put on a fantastic show with a wonderfully laid out venue, fabulous sponsorship and a super post show meal with many of the 70 plus guests dressed in their finery. Chairman Ken Hull was kind enough to tell me that the whole format was largely inspired by the visit that he and his wife Dawn had made to the Dog of the Year finals at Cheltenham Racecourse in 1998. Ken and Dawn also particularly remembered the shared bathroom arrangements at the racecourse, which were always so beloved of Andrew Brace. We were looked after very well after the show and we thoroughly enjoyed our trip. South Africa is a wonderful country and the visit to Robben Island was a real highlight. I have been on a couple of previous occasions and I certainly intend to go again, though it was slightly sobering to be told by the club that I had last judged for them 12 years ago. I am sure it cannot really have been that long!

General Impressions

The depth of quality of the entry was very good, and this was certainly the best group of male Boxers I have ever judged. My final line-up for the CC was outstanding and any of the males could have been pulled out for the Challenge Certificate. Unfortunately for them, only one male can be awarded the CC and I sadly had to leave standing males that were truly worthy of this award. I was very impressed with the hard musculature present on so many of the exhibits. Bites on the whole were superb, with the norm being wide, straight bites with the correct degree of undershot. There were sadly a couple of super males that had narrow or wry bites and these unfortunately had to be disregarded when selecting my final pullouts. Temperaments were outstanding, with no sign of aggression towards other males or shyness towards me. I found quite a few front assemblies where the upper arm was rather more upright than ideal, and this affected the overall balance and outline of these dogs. Toplines were excellent and rears were really good, with short rear pasterns and wide powerful hock joints found on the majority of exhibits. Eyes were all very dark and pigmentation was also strong and well defined on masks. On the down side I found the feeding of cheese and liver to be excessive and was forced to re-check some bites as it was impossible to see the teeth through the cheese caked on the incisors when doing individual evaluations. As I firmly believe in each exhibit being given the very best opportunity to be shown to the best advantage, and realising that this method of handling was the norm, I did not limit the baiting of the dogs, but would have preferred that handlers had trained their dogs to be shown without stuffing their faces.

Dog CC: Burnden's Opportunist JW Dog RCC: Burnden's Secret Millionaire
Best Puppy Dog: Daervlish All Because of You

Best Puppy Dog: Mr & Mrs A & D Huggins' Daervlish All Because Of You. Almost 1 year old tall, masculine dark flashy brindle male with excellent balance between fore and hind quarter angulation. Possessing a very beautiful head, with dark eye, very good bite, good lip placement and strong mask pigmentation contributing to his lovely correct expression. He has a beautiful arched neck, very good layback of shoulder blade and a long correctly angled upper arm. His depth of chest is correct, with his elbows fitting well against the chest wall. Lovely tight cat feet, straight forelegs and correctly angled pasterns. Very good tuckup with well muscled loins. Excellent tailset with a prominent shelf behind the tail. Rear broad in upper and lower thigh, with strong hock joint and short rear pasterns. A top quality male presented in hard muscular condition and very worthy of the award of best puppy dog. I am sure he has a very successful career ahead of him.

Reserve Challenge Certificate: Misses & Mrs D J L & D Pye's Burnden Secret Millionaire. 3 ½ year old tall, beautifully proportioned male, with very good balance between substance and elegance. Very attractive head and expression, with well padded muzzle, pitch black mask, well opened nostrils and good lip placement. Another male with an absolutely superb bite of excellent width and strong healthy teeth. Lovely long clean neck with beautiful arch, flowing smoothly into well defined withers. Back short, broad and well muscled, with correct length and lay of croup and good high tailset. Very good front assembly with long well laid back shoulder blade, well filled forechest and long correctly angled upper arm. Forelegs straight and well muscled with correct pasterns and lovely tight cat feet. Elbows held against the chest wall and underline smooth and well tucked up. Loins short and strongly muscled. Upper and lower thigh well muscled and well angulated through the stifle with powerful hock joints and short rear pasterns. A very eye catching correct male that fought hard for his RCC and was a very deserving winner.

Challenge Certificate: Misses & Mrs D J L & D Pye's Burnden Opportunist JW. Almost 5 year old tall flashy deer red male, very beautifully balanced, of good substance with elegance. When this dog entered the ring my heart stopped. Presenting a most beautiful picture I so hoped that I would find nothing about him that would disappoint me and I was delighted to find that my first impressions were validated on closer inspection. He has a very beautiful head with excellent pigmentation, a strong muzzle and clean chiselling on his skull. His broad open nostrils, perfect lip placement and text book bite ensured that as far as head was concerned he was exactly what I was looking for. And it did not stop there. With his long, well muscled beautifully arched neck, his very correct shoulder angulation, with long well laid back shoulder blade and long well angulated upper arm, well filled forechest, straight forelegs, correctly sloping pasterns and fabulous cat feet, his front assembly is exactly what is described in the Standard. He possesses a perfect topline with broad muscular back, taut loins and excellent length and lay of croup and spot on tail set. His strong muscular rear with broad upper and lower thigh, strong hock joint and well let down rear pasterns matched his forequarter perfectly. This being the most beautiful male Boxer I have ever had the pleasure of going over, there was no doubt in my mind that he would be the one to beat for the Challenge Certificate and it was an honour for me to give him this award in the final line-up.

18 October 2012

This morning I took your head between my hands - one last time. Those soft dark eyes looked up at me, but the sparkle was gone and I could see that you were in pain.

"You are SUCH a good, good girl..."

Then I held you close and as the vet gently helped you to cross over the Rainbow Bridge, I whispered *"Wait there Karma!"* - one last time. This time there would not be a recall after the send-away. You were not going to come romping back to me with your tiny scrap of blankie fluttering from your mouth. We had come to the end of the road we had walked together for almost eleven years.

You were a very special representative of a very special breed.

TRIBUTE TO JULIUS

Born on 20th July 2003, BLACKBERG HAIL CAESAR (fondly known as 'Julius'), was always a 'Look at Me' dog with the usual endearing qualities of the Boxer.

As a puppy he was a complete hooligan and Mike spent many patient hours training him to be the faithful companion he became (with the help of Cape Peninsula Dog Club and Rex Koning).

Somehow he earned his 'Canine Good Citizen' and we have his photo and rosette to prove it!

He gave us and our family so much love and those beautiful brown eyes said it all.

Go well Julius - we will always carry you in our hearts.

Life will not be the same without him, but he gave us nine wonderful years of unconditional love. This little poem says it all:

*Do not stand at my grave and weep
I am not there, I do not sleep
I am a thousand winds that blow
I am the diamond glint on snow
I am the sunlight on ripened grain
I am in the autumn rain*

*When you awake in the morning hush
I am the swift uplifting rush
Of birds circling in flight
I am the stars that shine at night
Do not stand a my grave and weep
I am not there I do not sleep*

BOXER RESCUE

We have two Boxers hoping to find loving new homes for Christmas:

“Phantom” is a 5 year old red unneutered male. His family have moved to the UK, and he has been living with friends but unfortunately it hasn't worked out so they have to find him a new home.

He was living with his German Shepherd companion which has now been rehomed. He does not tolerate cats, gets on well with kids and has been social around other dogs. He is micro-chipped.

Please contact owner Aubrey at email aubreyfarao@hotmail.com

“Roxy” is a 2 year old brindle bitch. She and her younger brother have recently been getting into trouble on the farm they live on, due to the fact that they have been chasing and injuring the sheep on the farm.

Their owner cannot separate the dogs from the sheep. Her brother was rehomed but Roxy is still looking for her new forever home.

She is playfull, good with kids and also with most dogs. She will need to be spayed asap.
